

2017 ABEVA Board of Director Candidates

JAMES O. BELL -COLONY BILTMORE GREENS

I have been a member of the ABEVA Board of Directors for 8 years. I am currently, and have been for a total of 6 years, President of the Board. I have also been a member of ABEVA's Legal Committee and devoted many hours to addressing and dealing with a variety of legal matters and issues. As a result of my experience on the Board I am very familiar with the role ABEVA plays in our community.

I purchased my home and moved to the ABEVA community in 2004. Before that I lived in Santa Fe, New Mexico and served as Assistant Attorney General for the State of New Mexico. I am now a partner at the Spiess & Bell Law Firm, where I practice primarily in the fields of commercial and real estate transactions and litigation as well as property tax appeals. I appreciate and enjoy the Biltmore area and intend to do all I can to ensure that it remains a wonderful place to live. Thank you for your consideration and support.

JUDITH SHAFKIND –COLONY BILTMORE IV

A Certified Public Accountant and licensed contractor, Judith and her husband, Larry, own a general engineering construction company. She has resided in Colony Biltmore IV since 1994 and has served on its Board of Directors for many years.

Maintaining home values is a priority, and she shares concerns about the potential effects of commercial expansion within the community. She believes our mature trees and lush landscape are our most valuable assets and should be protected, maintained and enhanced. Judith recognizes security presents challenges that require the resources and Board support for continued protection of residents and property owners. As a financial professional and businesswoman, Judith recognizes the Board's fiduciary responsibility to ABEVA property owners. Our dues must be wisely spent, without waste or excess.

Serving on the ABEVA Board is an opportunity to contribute to the community and make a positive impact on the ABEVA quality of life. She would appreciate your support for her continued service on the ABEVA Board of Directors.
