ABEVA Annual Statement

You should have received your ABEVA Annual Statement. If you did not, please contact the ABEVA office to correct your mailing address. Remember, not receiving a statement is not an excuse to be late. The annual assessment is \$275 and is due November 1, 2020.

**Mail payments to: ABEVA
P.O. Box 67848,
Phoenix, AZ 85082**

Online payments by credit, debit or e-check can be made at www.ABEVA.com.

If you have any questions regarding payment options, history or other concerns, please contact the ABEVA office at 602-955-1003.

Assessments are quite literally the lifeblood of a community association, as they are the vital component related to the association's ability to operate and maintain the common areas. When owners fail to make timely assessment payments, the deficiency impacts the whole community. There's less money than budgeted for operations, common area maintenance and reserve funding. The greater the percentage of owners who don't pay, the greater the impact will be on the association's ability to properly function. **Please make sure we receive your payment before December 1, 2020 to avoid a late fee of \$27.50.** ❖

ABEVA Functions and Services

Arizona Biltmore Estates Village Association (ABEVA) is the master homeowner association for residential properties, apartment communities and certain commercial properties located in the Biltmore area. ABEVA is responsible for enforcement of rules and regulations established pursuant to provisions contained in the Declaration of Covenants, Conditions and Restrictions.

There are 18 individual (sub association) residential communities, each of which have their own sub-association (HOA) and are generally managed by professional firms. **This means you have at least 2 HOA assessment payments.** The commercial properties include the Arizona Biltmore Resort and several office complexes located along Arizona Biltmore Circle and 24th Parkway.

In addition, there are 33 "Grandfathered" residences located on Thunderbird Trail and Biltmore Estates Drive that are not members and exempt from control by the ABEVA CC&Rs.

SERVICES:

- ABEVA provides landscaping, streetlight and street maintenance for common areas located outside the individual communities except for Thunderbird Trail from 24th Street to the hotel entrance which is the responsibility of the hotel. ABEVA installed and maintains 70 streetlights along common area roads. Architectural and landscaping control for all areas outside individual communities is the responsibility of the Architectural Committee of the ABEVA Board of Directors. The Architectural Committee's purpose is to enforce the master association's CC&Rs and provide a harmonious environment that protects the esthetics and value of the Biltmore area.
- A twenty-four-hour roving patrol service is provided that covers all areas including inside the gates of all the individual communities seven days a week. Incident reports are sent to the association community managers.

FINANCES:

The primary source of revenue is the annual assessment from each of the residential homeowners. There are 1,688 homeowners and the annual assessment is paid November 1st, the beginning of each fiscal year. The current rate is \$275 which covers operating expenses and additions to a reserve fund for future major repairs and capital additions. In addition, ABEVA receives annual assessments from the various commercial properties and 2 condominium communities, Fairway Lodge and Two Biltmore Estates, to cover the cost of maintaining the common areas.

Operating budgets are prepared annually by the Director and Treasurer as the basis for establishing annual assessment rates. The budget is reviewed by the Budget Committee of the Board and approved by the full ABEVA Board of Directors. Approval by the homeowners is not required. ❖

Grand Paseo/Pink Sidewalk

The Grand Paseo Trail was originally a vision by the Wrigley's in the 1930's. Under the watchful eye of the Arizona Biltmore Manager Harry Boyle, the pink paths were installed for hotel residents to travel around the hotel grounds and north to the foothills of Squaw Peak around the resort's reservoir.

In later years, the vision once again reappeared as part of the 1974 Master Plan Program for the Arizona Biltmore Estates as planned by Vernon Swaback and the Frank Lloyd Wright Foundation. Although partial construction occurred as residences were built north of Rose Lane, most of the original trail route as planned was interrupted by hotel construction, final revised subdivision layouts and golf course use.

The original 1974 plan envisioned a combined equestrian, pedestrian and bicycle trail maintained by the City of Phoenix between the Arizona Canal and Squaw Peak Park. With the interruptions and failure to construct the equestrian trail, the City never agreed to take over maintenance. In the late 1980's, ABEVA undertook some improvements to make the trail passable under Lincoln Drive and to remove invasive non-native trees north of Rose Lane.

During 2006, trail renovation work of almost \$40,000 was completed along the Grand Paseo from Rose Lane to Lincoln Dr. This work included the replacement of just under 500 linear feet of sidewalk, 70+ feet of curbing, tons of cracked rock to protect the sidewalk from erosion and a stairway to a the remaining segment of the original pink path with one of the original benches. This was thanks to the financial assistance of Colony IV and the hard work and dedication of the ABEVA Board of Directors and the Grand Paseo Committee: Chairman Bill Mee, Stephen Hoffman and L.A. Shafkind.

In addition, numerous volunteer trees and tons of silt were removed to improve drainage. River rock donated by a previous ABEVA president was spread at the drainage culvert at the dam at the end of 29th Street. The Trail has remained the same, but a battle ensued with the HOA north of Lincoln trying to prohibit ABEVA's access to the Trail and the Phoenix Mountain Park through the tunnel that ABEVA constructed under Lincoln Drive. In March of 2020, ABEVA's access to the "Pink Sidewalk" has been reclaimed thanks to the City of Phoenix.

Now that the weather is getting cooler, take a hike on the "Pink Sidewalk!" ❖
