ABEVA Board of Directors Election

It's time to start thinking about the 2023 Arizona Biltmore Estates Village Association Board of Directors' election.

The function of ABEVA is to govern common areas of Biltmore Estates, offer guidance to its 17 sub-associations, and address issues that affect the overall upkeep and beauty of the ABEVA community.

This year, there are four seats coming available. Directors are elected to two-year staggered terms.

Each Director must meet the following criteria:

- 1.) He or she must be a member in good standing of ABEVA.
- 2.) Must be the owner of record of an ABEVA property.

Board meetings are held on the third Monday of each month at 5:30 p.m. in the ABEVA office.

Meetings require a commitment of at least two hours at each of the meetings, plus possible additional time to serve on committees.

If you are considering running for the board, we ask that you take a few moments to ask yourself the following three questions:

Do I have the time?

As a board member, you will need to devote a couple of hours of your time each month to association business. Some board members may also spend a little more time than others if they work with a committee.

Can I make tough decisions when it's required?

The board's primary role is to conduct the association's business. This means, among many tasks, approving the budget, developing and enforcing policies, engaging contractors, and dealing with oversight of the ABEVA office and staff.

Board members are required to think beyond their immediate circles of family and neighbors and make decisions based on the greater good of the community, and not just their sub-association.

Can I represent ABEVA in and to the larger community?

Our community is only as good as we make it. Board members are encouraged to attend social functions such as business social networking events to foster ABEVA's connection with our homeowners and with our neighbors. ❖
